COMMENTS REGARDING STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

Sir:

On page 3 of the Notice of Allowance mailed February 13, 2008, The Examiner provided a statement of reasons for Allowance. However, it is respectfully submitted that the Examiner's characterizations of the claims in these reasons do not accurately reflect the recited features of the claims, and appears instead to summarize a portion of the BPAI decision in related application 10/995,295. Further, the Examiner's characterization of that decision summarizes only one feature found allowable by the Board. As specified in MPEP 1302.14, "care must be taken to ensure that such reasons are accurate, precise, and do not place unwarranted interpretations, whether broad or narrow, upon the claims." It is submitted that the Examiner's Statement does not meet these standards and, instead, raises "possible misinterpretations" (MPEP 1302.14) and, accordingly, should be disregarded.

Serial No. 09/903,630

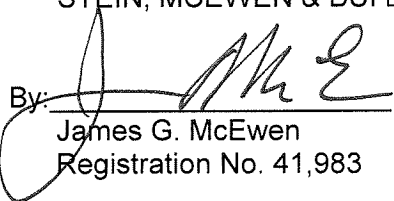

Docket No. 1293.1225

It further is submitted that the claims noted above are not constrained by any previous characterizations by the Examiner, and that the claims speak for themselves as to what features are included therein and are their own best evidence as to the reasons for allowance of same.

Respectfully submitted,

STEIN, MCEWEN & BUI LLP
